Dear Former Rotarian:

I understand that your membership with your Rotary Club has been recently terminated.

On behalf of our organization, I would like to join your fellow club members and thank you for your dedicated **SERVICE ABOVE SELF**. Rotary's classification system makes input from each member unique and your club will miss that input from you. I hope circumstances permit you to return to our organization soon. If you need assistance please let your club President or Secretary know or do not hesitate to contact me.

Once again, best wishes and thank you for your service to our organization.

Very truly yours,

Mark

Mark von Hoetendorff,
